*"Congratulations!  
Today is your day.  
You're off to Great Places!  
You're off and away!*

*You have brains in your head.  
You have feet in your shoes.  
You can steer yourself any direction you choose.  
You're on your own.  
And you know what you know.  
And you are the one who'll decide where to go..."*

---

There are places I remember, all my life,  
Though some have changed;  
Some forever, not for better.  
Some have gone and some remain.  
All these places have their moments  
With lovers and friends I still can recall.  
... In my life, I've loved them all.

— The Beatles

---

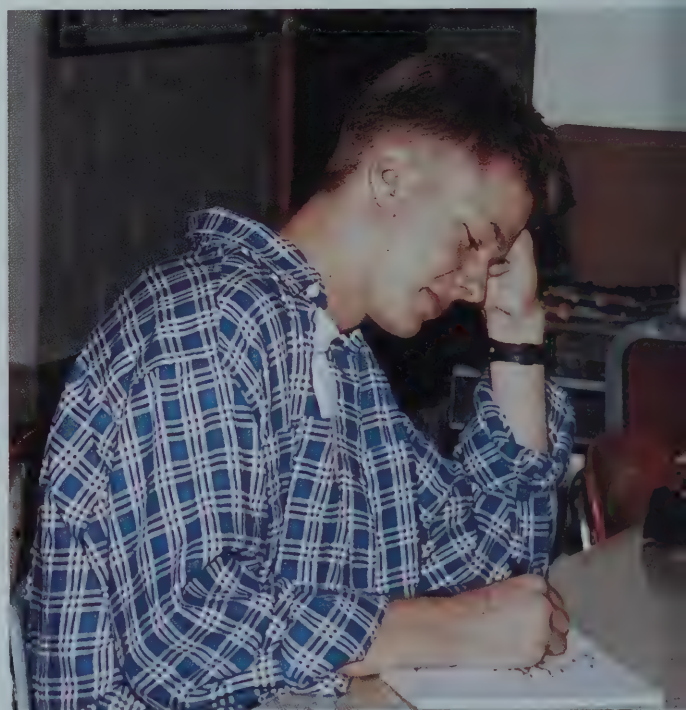

---

"Today I'm going yesterday,  
I'm moving very fast  
as I'm putting off the future  
for the rather recent past,  
I can feel the present fading  
as I hastily depart,  
and look forward to arriving  
on the day before I start.

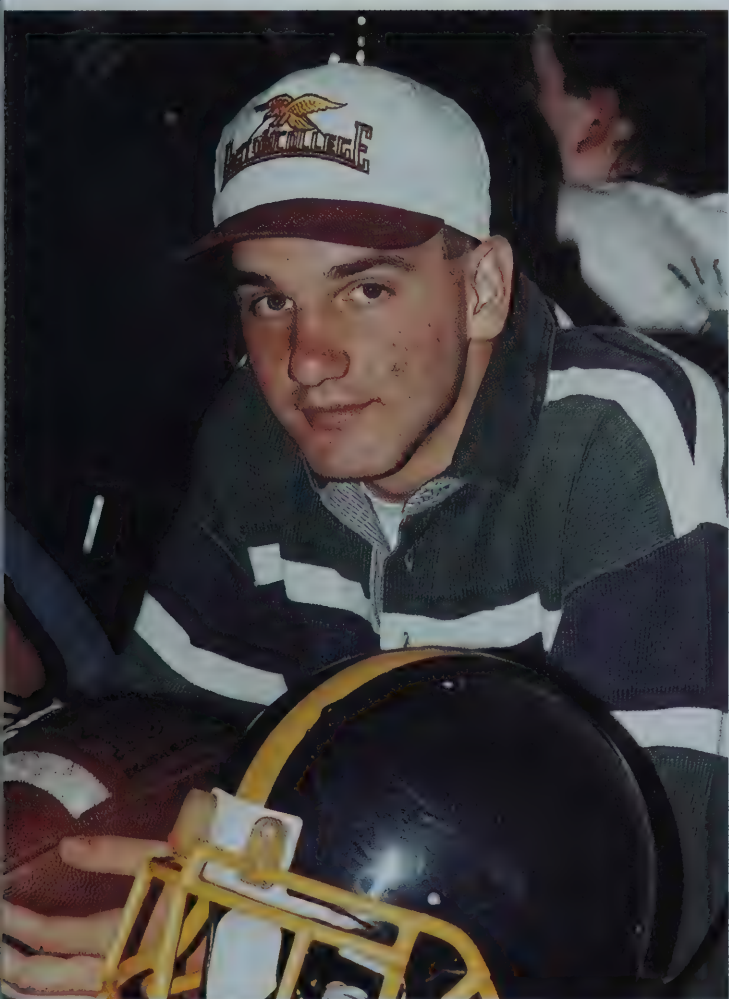

Today I'm going yesterday,  
I'm slipping out of sight  
and anticipate I'll vanish  
just a bit before tonight,  
when I reach my destination.  
I'll compose a note to say  
that I'll see you all tomorrow,  
which of course will be today."

— Jack Prelutsky

---

"Only as high as you can reach you can grow  
Only as far as you seek can you go  
Only as deep as you look can you see  
Only as much as you dream can you be."

— Anonymous

---

"Saying Goodbye, going away;  
Seems like goodbye's such a hard thing to say.  
Touching a hand, wondering why  
It's time for saying goodbye."

— Jeff Moss

---

---

"Saying goodbye, why is it sad?  
Makes us remember the good times we had.  
Much more to say, foolish to try;  
It's time for saying goodbye."

— Jeff Moss

---

---

"This is the time to remember  
'Cause it will not last forever  
These are the days to hold onto  
Cause we won't all though we'll want to.

This is the time  
The time is gonna change  
I know we've got to move somehow  
But I don't want to lose you now."

— Billy Joel

---

---

"Some people see things as they are  
and ask why.  
I dream things that never were  
and ask why not."

— Robert F. Kennedy

---

---

"People come, people go.  
Some leave footprints in the snow.  
But in the end, you will find  
Some leave footprints in your mind."  
— Anonymous

---

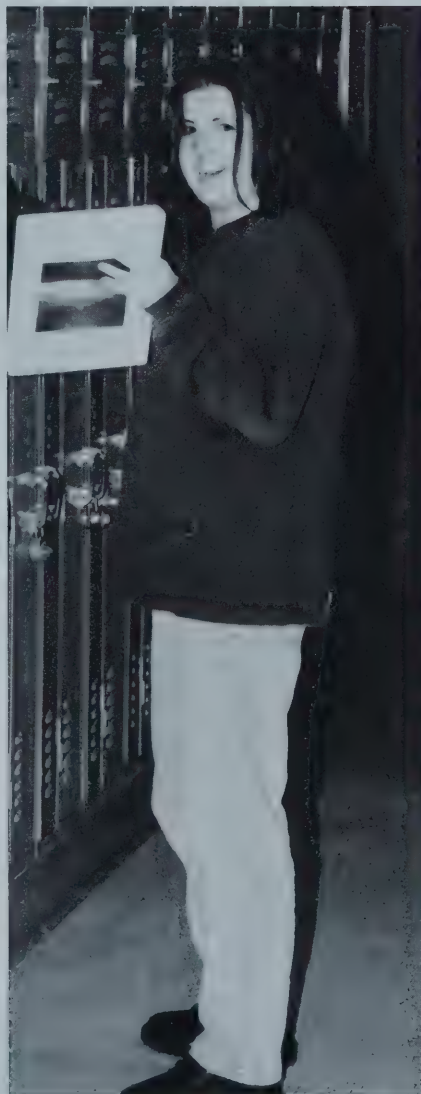

---

"From time to time  
Two paths will cross  
Then merge together  
To appear to be one  
And as such  
Will travel many miles  
But so often the fortunes of the world  
Make it necessary  
For them to separate  
In order to reach  
Their own destinations."

— Javan

---

---

"If I could save time in a bottle,  
the first thing that I'd like to do  
is to save every day till eternity passes away  
Just to spend them with you."  
— Jim Croce

---

---

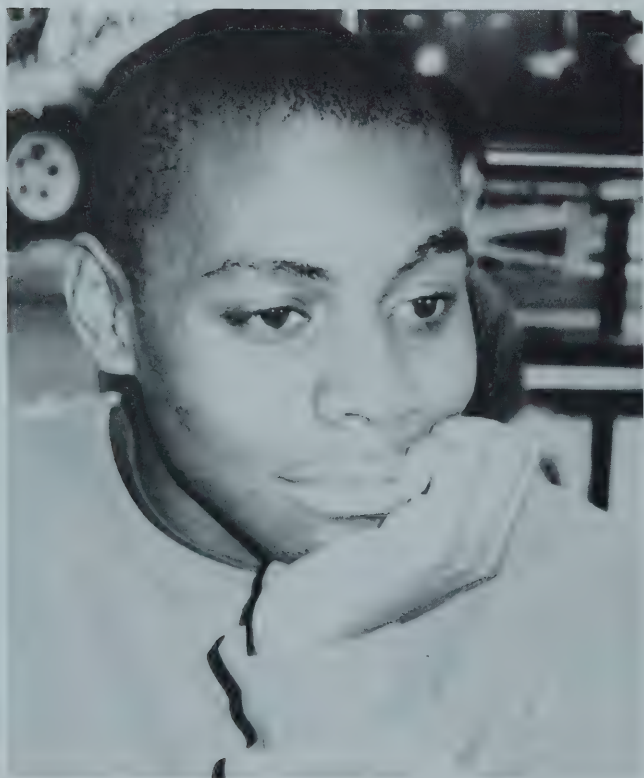

"Though summer turns to winter,  
And the present disappears,  
The laughter we were glad to share  
Will echo through the years.  
When other nights and other days  
May find us gone our separate ways,  
We will have these moments to remember."

— Al Stillman

---

---

"Even if we later are occupied  
with more important things.  
Even if we fall into misfortunes,  
Still let us remember how good it was here  
Once, when we were all together,  
United by a good and kind feeling  
Which made us, perhaps,  
a little better than we were."

— Dostoevsky

## Senior Year . . .

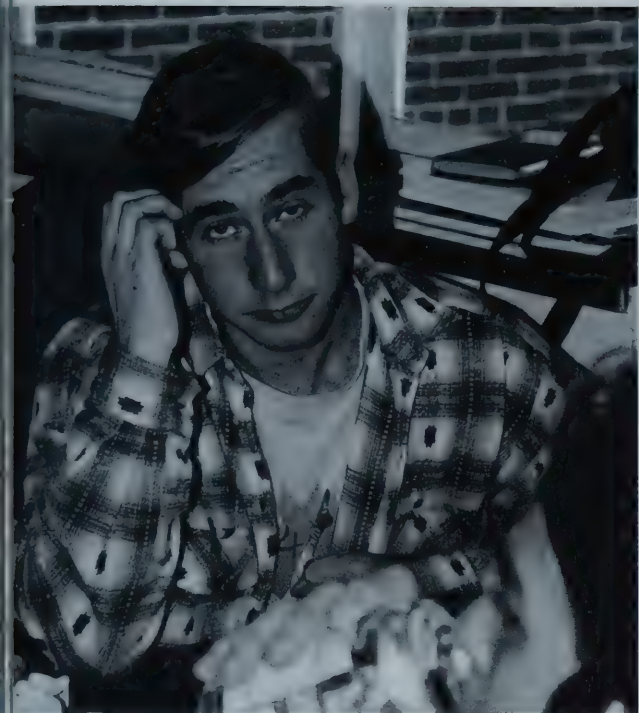

---

“When you’re down and troubled  
And you need a helping hand  
And nothing, oh nothing is going right,  
Close your eyes and think of me  
And soon I will be there to brighten  
Even your darkest nights.  
You just call out my name  
And you know wherever I am  
I’ll come running to see you again  
Winter, spring, summer, or fall  
All you have to do is call  
And I’ll be there  
You’ve got a friend.”  
— James Taylor

---

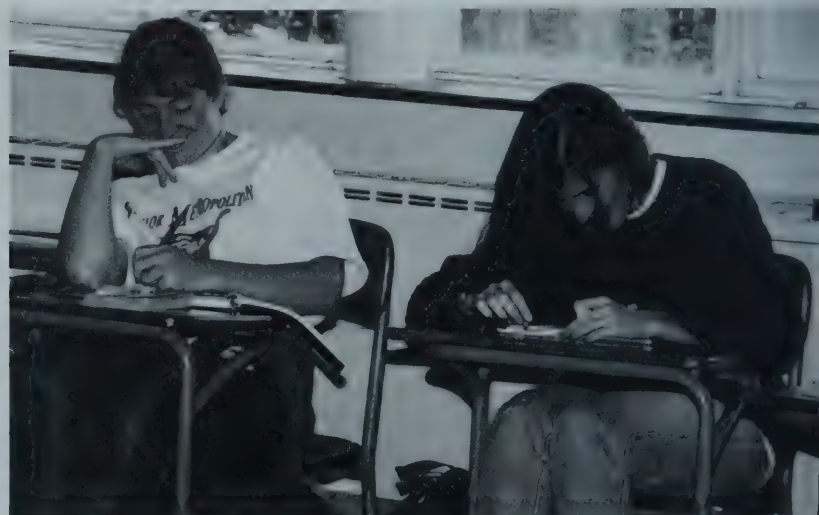

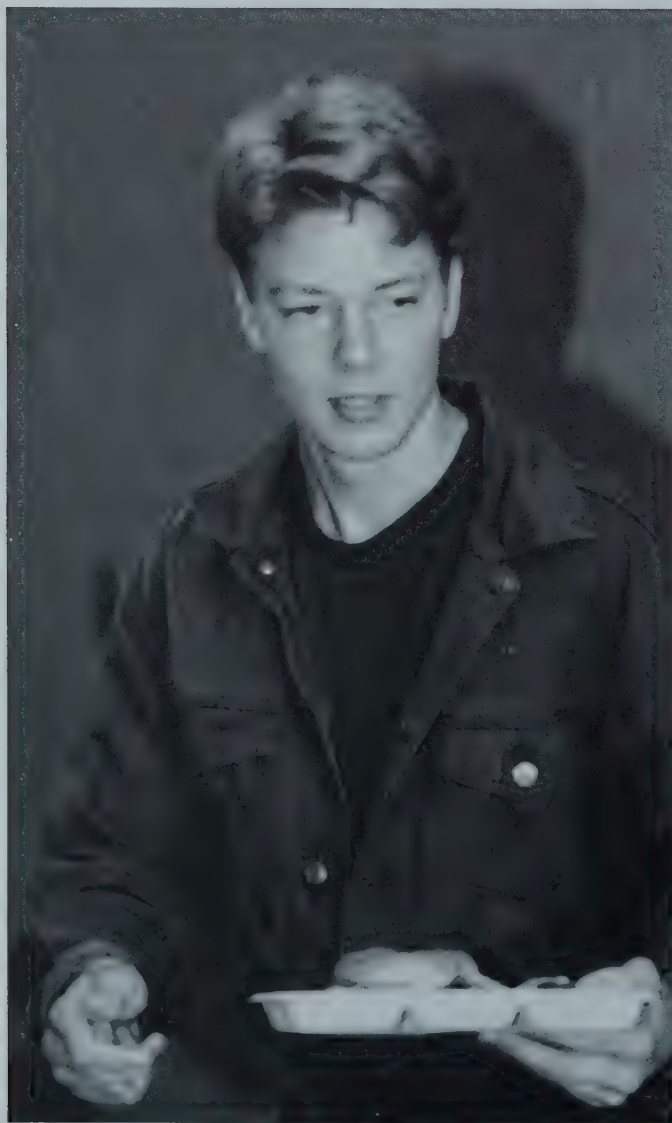

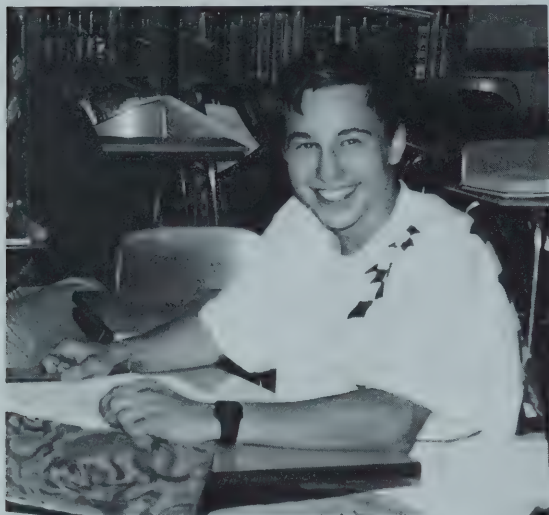

---

"Life is my college.  
May I graduate well  
And earn some honors,"  
— Louise May Alcott

---

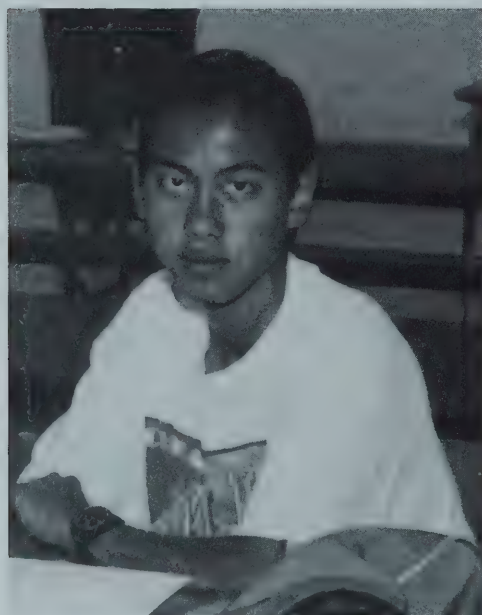

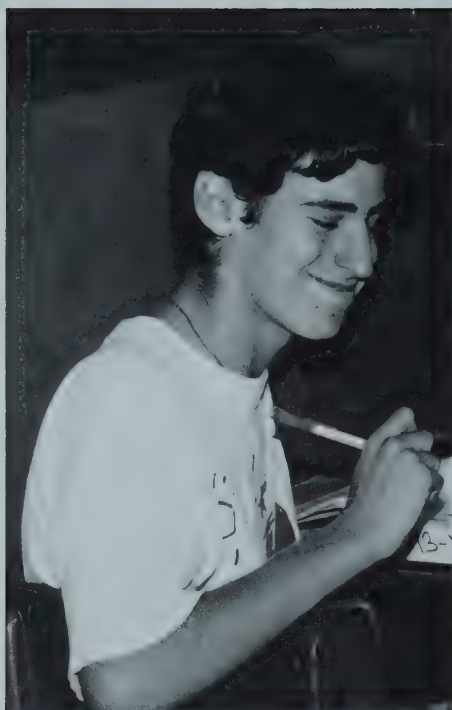

---

"Don't be dismayed at goodbyes  
A farewell is necessary  
before we can meet again  
And meeting again after  
moments or lifetimes  
is certain for those who  
are friends."

— Bach

---

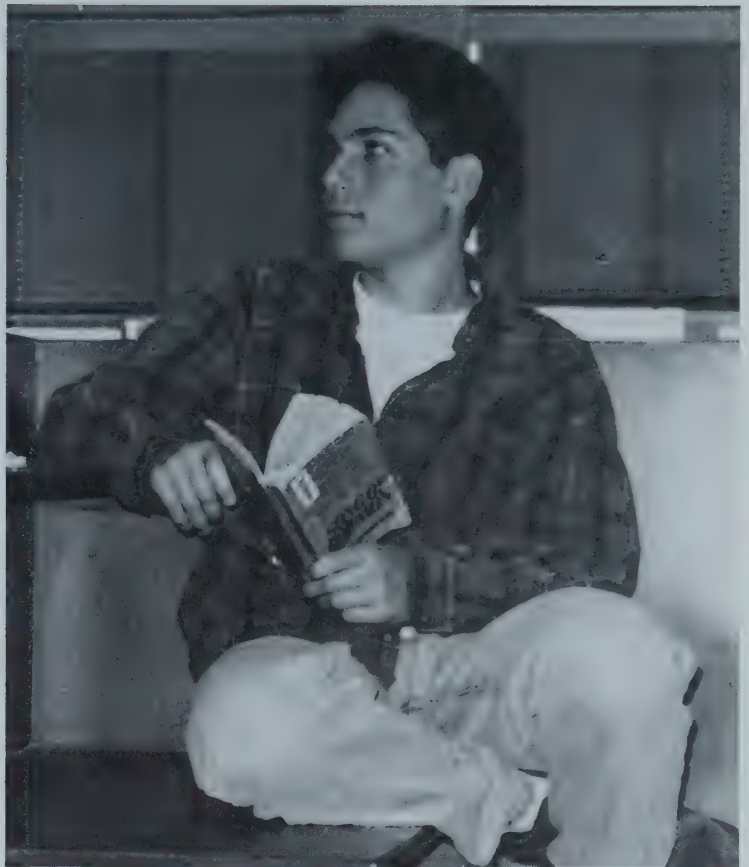

---

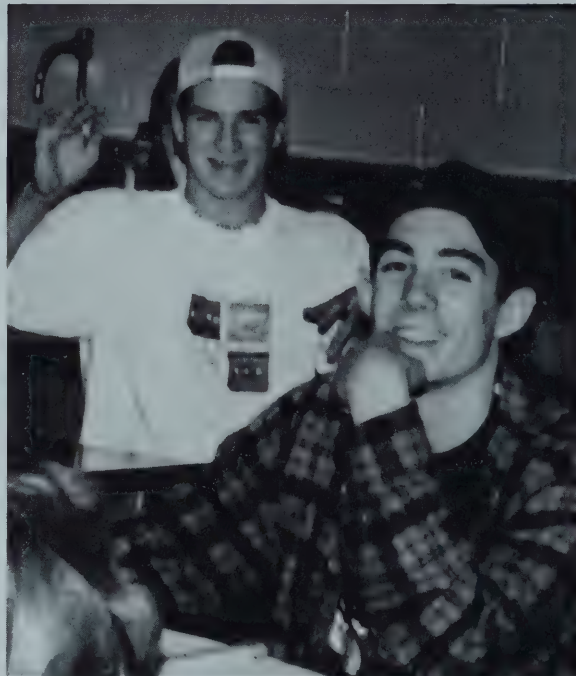

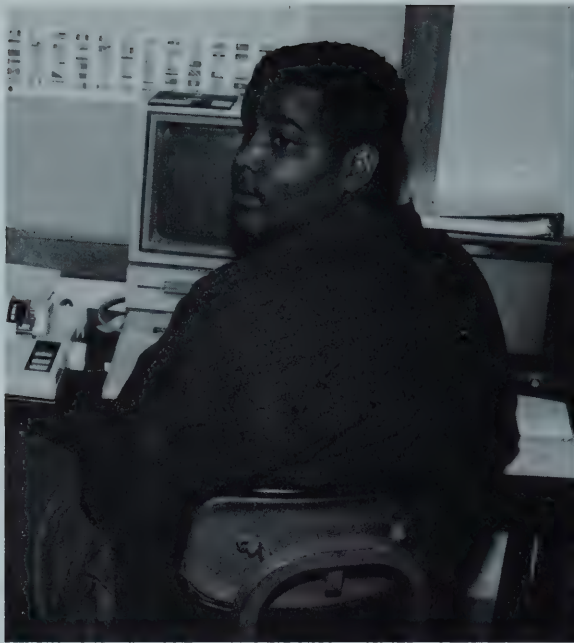

"Together ... we will go our way  
 Together ... we will leave someday  
 Together ... your hand in my hand  
 Together ... we will make the plans  
 Together ... we will fly so high  
 Together ... tell our friends goodbye  
 Together ... we will start life new  
 Together ... this is what we will do ..."  
 — The Village People

---

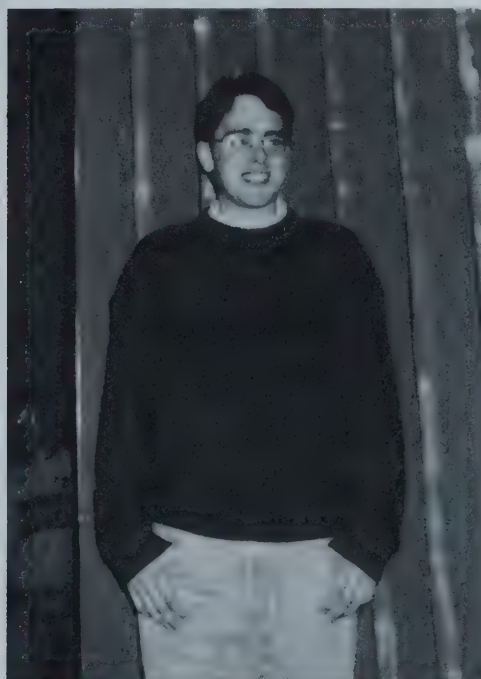

---

"So many faces in and out of my life,  
Some will last.  
Some will just be now and then.  
Life is a series of hellos & goodbyes.  
I'm afraid it's time for goodbye again ...  
And so it's time to change our ways.  
But I've loved these days.  
So before we end (and then begin)  
We'll drink a toast to how it's been."

— Billy Joel

"You'll get mixed up of course,  
as you already know,  
You'll get mixed up  
with many strange birds as you go.  
So be sure when you step.  
Step with care and great tact  
and remember that Life's  
a Great Balancing Act.  
Just never forget to be dexterous and deft.  
And never mix up your right foot with your left.

And will you succeed?  
Yes! You will, indeed!  
(98 and 3/4 percent guaranteed.)

Kid, You'll Move Mountains!"
